“Life can take you to unexpected places, we’ll make this your home.”

Nazareth Lodge is a purpose-built residential care home situated in the vibrant market town of Sturminster Newton in North Dorset, set in the middle of landscaped gardens and with unrivalled views of the church. We provide an oasis of calm and beauty for those who need it, whilst a full programme of activities, both within the home or the town, is available for those who want to stay more active.

The home is registered by the Care Quality Commission for 24 residents, which ensures that every resident’s care is personalised specifically to them and that all residents receive the highest levels of care and attention possible. Day care, respite care and permanent residency are all available at Nazareth Lodge.

Only a small percentage of care homes gain the Outstanding rating from the CQC so we are understandably very proud to have achieved this again.

Nazareth Lodge is a privately-owned business where you will find everything you would expect and wish for in a residential care home, including:

- A modern home, purpose built, to care for 24 people which boasts a lovely light airy conservatory set in tranquil, private and easily accessed gardens.
- Well trained, caring and committed staff who respect each other and the people they look after.
- Our excellent chef provides wonderful home cooking that caters for a variety of nutritional needs.
- We offer a continuous and varied programme of outings and activities for those who choose to participate.
- It’s only a 5-minute walk to our lovely market town which includes a fabulous community centre complete with theatre and St Mary’s church is situated next door with an easy access walkway from our gardens.
- We have strong links with our local GP practice and Community Nursing Team.
- Regular visits from volunteers and members of the local community.

Accommodation

As a purpose-built home, all rooms are easily accessible with wide corridors and a passenger lift for access to the first floor.

All bedrooms are light, airy, decorated to a high standard and look out onto the garden. Furniture is provided but you may bring in your own if you would prefer.

Most rooms have private facilities. We also have a separate bathroom, shower room and wet room which are all well equipped, including a jacuzzi bath and appropriate aids.

Our large, airy, newly redecorated sitting room, opens up onto our superb conservatory with beautiful views across the garden to the church and our greenhouse, perfect for those with green fingers or who miss their own gardens.

What are the next steps?

MB, Respite guest

"Always my husband has received excellent care by cheerful, caring staff. My needs have always been considered and a caring person has always been there when I have needed one. Nobody wants to admit they cannot care for a loved one. We are so lucky to have Nazareth Lodge who takes over so well. Thank you all."
